

The Silver Lake Lutheran Church Council

Thursday, August 24th, 2006

The Silver Lake Council met on Thursday, August 24th at 7:00 pm. Attending were Arlow Rugland, Beulah Thompson, Lucritia Ferley, Dorothy Reyerson, Bruce Nelson, Bill Loberg, Brian Nelson, and Pastor Randy.

Brian called the meeting to order and Pastor Randy gave devotions on gathering the Manna to feed our people.

Secretary's report read and accepted as read.

Brian presented the Treasurer's report. The bills were reviewed and approved by all.

Pastor Randy gave his report and filled us in on the One In Christ report. We discussed the upcoming outdoor service on Sunday, August 27th at Immanuel.

Old Business:

Pastor Randy brought us up to date on the Leland Churches. The next meeting will be discussing finances, to see if they will be able to commit.

Arlow has ordered a window for the office.

The Parsonage is still available to rent.

New Business:

We discussed money making projects. The Worth County Historical Society has asked us to serve a dinner for their annual meeting, September 19th at 6:00 pm.

This will include 100 people for a full dinner, so plans are being made to do this rather than our regular steak supper. We will need everyone's help for this project. We will also receive funds from Thrivent for serving this dinner.

September 3rd Service at 11:00 am, notice change of time.

There being no further business, motion made to adjourn. We joined hands and prayed the Lord's Prayer in Closing.

Respectfully submitted by
Secretary Dorothy Reyerson.
