President Kingland called the meeting to order.

Secretary's report: was not read, deferred until next meeting.

Treasurer's report: Darlene read. Nathan made motion to accept. Russ seconded. Carried.

Old Business:

1. The council wishes to extend a big thank you to Erma for 27 years of dedicated service as Sion's church treasurer. Thank you Erma! We all appreciate her dedicated work. You will be missed at our meetings.
2. Darlene has graciously accepted and begun the role as our new treasurer.
3. LP for the church has been contracted with Ag Vantage for this fall.

New Business:

1. Randy reported on issues discussed at the last Parish council meeting.
2. We discussed the possibility of making our current shared part time secretarial position into more of a permanent position with more duties. Under this new position, our secretary would also serve as an assistant to aid in various duties required to help Pastor Bill & Pastor Randy. This would be considered a permanent part time position, and would be shared with One in Christ as a joint expense.
3. CCC numbers have been reviewed and this is no change from last year.
4. Copier service agreement has been renewed for the upcoming year.
5. Mission Sunday will be sometime in November, time to be announced.

Darlene mad a motion to adjourn, seconded by Randy. Carried.

Meeting closed with the Lord's Prayer.
